Your Summer Auto

You've promised the wife and children an automobile for the summer months, but here it is the month of May and no sign of one yet. Perhaps you haven't found just the one that suited you, or, more likely, you have failed to get the price that fits your pocketbook!

In either event it is plain to see that you haven't tried putting a Tribune Want Ad in the paper, or even reading over the Want Columns, or you probably would have been the proud owner of a machine by this time.

Spring, especially May, is the time of year when people of large means are buying new cars and will gladly part with their old ones at a sacrifice price. The Tribune Want Columns are full of just such Ads. Why isn't yours among them?

Don't waste time, but put that Want Ad in today and, before the week is out, you'll like as not be an auto owner.
